

KS Disability Caucus

Board Vacancy Application

The KS Disability Caucus, Inc. Board announces five Board positions up for election each beginning January 1, 2019 for a two year term. The Board wants to make sure that it represents the faces of Kansans with disabilities, therefore we need applicants from various parts of our population, such as race, ethnicity, disability, age, geographic, sexual orientation, and gender identification. We will review all applications from individuals wanting to join the group to organize and coordinate activities that promote independent living of all people with disabilities through collaboration, networking, education, planning, and peer-to-peer interaction, including the Caucus during even numbered years. We need individuals that are very committed to work hard in both planning and the hands on work needed to have a successful Caucus. We will contact you if you are chosen to join the Board or if we have more questions for you.

In 1988, a small group of Kansans with disabilities came together to organize the first Kansas Disability Caucus when ninety people attended in Salina, KS. It was these united voices that helped to pass the first self directed personal care assistance program in Kansas. The Caucus has attracted many national presenters in independent living and disability rights through the years. There have been numerous purposes for holding the Caucus including education, advocacy, and planning. The KS Disability Caucus supports and encourages successful outcomes for people with all types of disabilities of all ages, especially encouraging the involvement of young adults. If you are interested in continuing these activities, please submit your application. The deadline for submission is October 31, 2018 at 11:59 p.m.
